

Holiday Gift Giving Guide 2024

For many Whatcom families struggling to provide basic needs for their children, these upcoming months are only made harder by the desire to bring the same sense of excitement and spirit other children look forward to during the Holiday Season. Parents, already struggling to make ends meet, will be faced with the difficult question of how to create a memorable holiday experience for their families.

With this in mind, we invite you to join us in spreading joy and providing needed support to the families we serve through one of the following meaningful modes of giving:

ADOPT A FAMILY

By adopting a family or contributing toward a wishlist, you are not only supplying presents, but also providing an opportunity for parents to focus on creating fun holiday memories with their children.

Family Wish Lists will be posted November 5th

BECOME A MONTHLY DONOR

Your monthly contribution to Lydia Place is essential to enabling us to say "yes" to families in crisis and building sustainable systems to support them for the long haul. For as little as \$5/month, you can help shelter a family from the cold this winter.

HOLIDAY TREATS

Whether you're shopping for coworkers, family, or friends, please consider adding Lydia Place chocolate, coffee, tea, or hot sauce to your holiday giving! Sales of each directly support Lydia Place's mission. These gourmet delights are not just terrific gifts but a wonderful way to honor the holiday giving spirit by supporting your community!
